

# INVITATION

## Agriculture/Horticulture Inspiration Tour to the Netherlands on 7-8 March 2024

Get inspired during the **Agriculture/Horticulture Inspiration Tour to the Netherlands!** It will take place on 7 and 8 March 2024. This tailor made mission will give you an insight in the current situation of the agriculture/horticulture sector in the Netherlands. Take the opportunity to meet leaders of the agriculture industry!

Would you like to learn more about agriculture, horticulture, poultry, meat production, food processing, agro park developments and/or innovations in the Netherlands? And are you ready to get in touch with potential international partners to exchange knowledge and explore possibilities for cooperation?

Then we would encourage you to fill in the application form and join the tour. We do our utmost to match your wishes/needs as much as possible when determining the final program.

### Draft program

<i>Wednesday 6 March</i>	Travelling to the Netherlands Pick up at Schiphol Airport or Düsseldorf International Airport Transfer to Hotel
<i>Thursday 7 March</i>	Collective company visits Visit to Brightlands Campus Greenport Venlo <sup>1</sup> Meeting with agriculture educational institutes Visit to HortiContact Fair <sup>2</sup>
<i>Friday 8 March</i>	Company visits "of your choice" Closing dinner
<i>Saturday 9 March</i>	Transfer to Amsterdam or Düsseldorf Travelling to country of origin or extended visit

<sup>1</sup> Brightlands Campus Greenport Venlo is an open innovation community with over 30,000 innovative entrepreneurs, researchers and students. Every day they work on breakthroughs in the fields of healthy and sustainable nutrition, future farming and biocircular economy. Innovations in agri food that make the world a healthier and more sustainable place.

<sup>2</sup> HortiContact is the place where the entire Dutch glasshouse and horticultural sector comes together to network, gain inspiration and help the sector move forward. During HortiContact you will discover a wide range of products, services and innovations that can help your company to be ready for the future.

### **Participation costs**

The costs of the participation in this mission will be **€ 1.950,-** per participant (excl. VAT). Included are three nights in 4\* hotel, breakfast/lunch/diner, collective local transport, participation in collective program, tailor made program, local support by the organization.

Traveling costs (flight from/to the Netherlands) and individual costs (e.g. visa, interpreter, individual transport) are for your own account.
